SHRINE OF OUR LADY OF GUADALUPE

HISTORY

From the day he was named Bishop of the Diocese of La Crosse, Raymond Leo Cardinal Burke reflected upon and prayed about the pastoral needs of the entire Diocese. He spoke about his concern for both the family which has suffered so many assaults in recent times, and about the violence which more and more marks American culture. Through what many attribute to divine providence, a beautiful site of approximately 70 acres was donated by the Robert

Swing family. It was the desire of the late Mr. and Mrs. Swing that the tract of land might one day become a place that would draw people closer to God.
