

SHRINE OF
OUR LADY OF GUADALUPE

Meet our Director of Communications

The Shrine of Our Lady of Guadalupe is pleased to welcome Mr. Becket Ghioto as Director of Communications. Becket brings to the Shrine many years of communications experience and a dedication to the mission of Our Lady.

Becket has established an extensive background in digital communications experience in the Catholic media world, particularly in his most recent work as Director of Digital Outreach for the St. Paul Center in Steubenville, OH, where he has been working with Scott and Kimberly Hahn. His expertise includes podcast production, video production and editing, social media management, and graphic design.

Currently completing a Doctor of Ministry in Evangelization from the Catholic University of America, Becket also has a deep interest in catechesis and evangelization, sacred music, and theology. He looks forward to bringing the message of Our Lady of Guadalupe at her Shrine in La Crosse to a wider audience, and to advancing the mission of the Shrine in a digital age. Becket speaks both English and Spanish and begins his duties at the Shrine in late April 2021. Becket and his wife, Christina, spent three days at the Shrine recently and enjoyed meeting the welcoming Shrine community. They dedicated their marriage to Our Lady of Guadalupe and celebrate December 12th as their anniversary date.

Becket can be contacted at communications@guadalupe Shrine.org,

*"I am so pleased to employ my gifts and talents
in the service of Our Lady.
God bless you all."*
